Campus Authorities & Jurisdiction

Campus Security Authorities (Owners, Director of Education, Director of Finance, & Director of Spa Services) have the authority to question all persons on school property to determine their legitimate presence and to escort unauthorized persons to the proper office or off school property, control the actions of persons violating school rules or local, state, or federal laws and cooperate with all local, state, or federal agencies should that become necessary. Campus Security Authorities do not possess arrest power. Criminal incidents are referred to the state police who have jurisdiction on this campus. Campus Security Authorities maintain a highly professional working relationship with the state police. All crime victims and witnesses are strongly encouraged to immediately report crime to Campus Security Authorities and the appropriate police agency. All reports will be investigated. Metro Beauty Academy does not have procedures for voluntary, confidential reporting of crime statistics through pastoral or professional counselors.

Only designated security authorities have access to view these security cameras and recordings.

Students and employees are encouraged to be responsible for their own security. Off-campus events sponsored by the school are supervised by campus employees. Emergency Notification & Evacuation, Timely Warning, & Preparing Annual Report

Emergency Notification & Timely Warning

When a Clery reportable crime may pose an ongoing threat, or when there is an emergency or (*serious, immediate and continuous situation with guidance and coordination from law enforcement, ie. Pennsylvania Police*) dangerous situation that may pose a health or safety risk, Metro Beauty Academy will issue a timely warning to the entire campus community, with content of the notification and dissemination being developed by the Owner. This content will take into account the safety of the community and will be done without delay, unless issuing a notification will, in the professional judgement of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

Procedures for Disseminating Emergency Information to the Larger Community (i.e., individuals and organizations outside the campus community):

If the campus activates its Emergency Notification in response to a situation that poses an immediate threat to members of the campus community, the Owner will develop, disclose and disseminate to the

larger community about the situation and steps the campus has taken to address the emergency. The Owner will collaborate with local law enforcement to determine the methods to disclose and disseminate the appropriate information to the larger community.

A significant emergency or dangerous situation involving an immediate threat to health or safety of students or faculty is confirmed when an unforeseen situation that threatens students, faculty, or the public; disrupts or shuts down operations; or causes physical or environmental damage. Emergencies may be natural or manmade.

The Assistant Director, the Office Coordinator or Title IX Officer will issue timely warnings with guidance from local law enforcement. Those in the building will be immediately notified by a school employee making an official announcement in each section of the building. Metro will also send an announcement via email to each student and faculty member. Metro Beauty Academy does not have a policy regarding notification about missing students.

Individuals are encouraged and requested to immediately report any known emergency, occurring on campus to any of the following: The Office of the Assistant Director, the Office Coordinator, the Title IX Coordinator.

In the event that an immediate notification is confirmed, a staff member will announce for all students and clients to calmly exit the building according to the evacuation plan. Evacuation plans are posted in different locations throughout the building and reviewed with students at orientation. An Emergency Alert may include a fire alarm sounding, a whistle blowing, or an announcement by a staff member. Immediately proceed to your nearest exit according to the evacuation plan. When leaving the building, the following procedure should be followed:

- Follow the posted evacuation route to exit the building with Instructor.
 - Walk, do not run; talk quietly; do not stop to obtain items from lockers; do not clock in or out; do not go to cars; no smoking.
- Instructors will pick up the client ticket (for the purpose of accounting for all individuals at the safe zone) and instruct clients to accompany the group.
- Admissions, Financial Aid, and Front Desk staff will escort any visitors in their office area out.
- Instructors will pick up the class roster (for the purpose of accounting for all individuals at the safe zone) and ensure that all students leave the building.
- A Director and Front Desk staff will check all areas to ensure that the building is evacuated, turning off lights and closing doors as each area is cleared in three minutes or less.
- At the designated safe spot Instructors will take student roll call, and check student tickets to ensure that everyone is accounted for.
- Everyone should remain in the designated safe spot until released by authorities.

In the case of fire or evacuation drills, the Owner, Administrators, or Directors will coordinate and evaluate the drill, time the clearing of the building, and be responsible for checking all rooms after the building is clear. Drills are scheduled at least annually. In the event of an actual emergency, the Owner, Administrators, or Directors will be responsible to call 9-1-1.

Emergency response and evacuation procedures are announced during employee and student orientation which occurs at least annually. The Director of Education documents and describes each drill performed in a drill log.

Procedures For Disciplinary Action/Proceedings

In response to student and employee complaints including but not limited to sexual assault, domestic violence, dating violence and stalking, Metro Beauty Academy promises prompt and fair resolution through a reliable and impartial investigation, including the opportunity for both parties to present witnesses or other evidence. The time necessary to conduct an investigation/preceding will vary based on complexity but will generally be completed within sixty (60) days of receipt of the complaint.

Metro Beauty Academy shall maintain confidentiality for all parties to the extent possible, but absolute confidentiality cannot be guaranteed. In cases where a student does not give consent for an investigation, Metro Beauty Academy will weigh the student's request for confidentiality against the impact on school safety to determine whether an investigation must proceed.

Complainants should be aware that in a formal investigation due process generally requires that the identity of the charging party and the substance of the complaint be revealed to the person charged with the alleged harassment.

Proceedings will be conducted by the Title IX Coordinator who at minimum, receives Violence Against Women Act (VAWA) annual training on:

- the issues related to dating violence, domestic violence, sexual assault and stalking
- how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability

Disciplinary proceedings used by the institution are applicable to both students and employees in incidents regarding sexual assault, domestic violence, dating violence, or stalking allegations as described forthwith.

The clear and convincing evidence standard will apply to investigations, meaning Metro Beauty Academy will evaluate whether it is more likely than not that the alleged conduct occurred. Both parties will receive written notice of the outcome of the complaint. During the investigation, Metro Beauty Academy will provide interim measures, as necessary, to protect the safety and well being of students and/or employees involved. Following an allegation of sexual assault, domestic violence, dating violence or stalking, Metro Beauty Academy will offer the victim a range of protective measures that may include but is not limited to, escorts, special parking assignment, or academic schedule changes. The Office of the Assistant Director and the Title IX Coordinator will determine what measures to take regarding reasonable requests for changes.

If Metro Beauty Academy is notified of an alleged incident of sexual assault, domestic violence, dating violence, or stalking have occurred involving a student or employee, immediate appropriate corrective action will be taken in accordance with the circumstances involved. Remedies and or sanctions imposed following the results of any disciplinary proceeding including, but are not limited to sexual assault, domestic violence, dating violence or stalking include an order to stay away, suspension, no less than 3 days, or termination.

To initiate a criminal investigation, reports of sexual violence should be made to "9-1-1" or local law enforcement. The criminal process is separate from Metro Beauty Academy's disciplinary process. Metro Beauty Academy allows the accused and/or victim to appeal the school's decision by making their appeal in writing within seven (7) days to the Office of the Assistant Director. Changes to the result will be provided in writing to both accused and victim within thirty (30) days of appeal receipt. The results will become final upon receipt of written outcome. The Office of the Assistant Director
Revised Date: 9/20/2021

and the Title IX Coordinator are responsible for making decisions regarding disciplinary action against employees or students.

Metro Beauty Academy will not retaliate against anyone for filing a complaint, and will not tolerate retaliation by students or employees. If you believe you have been retaliated against, you should promptly notify the Title IX Coordinator.

Victims of sexual misconduct should be aware that Metro Beauty Academy administrators must issue timely warnings for incidents reported to them that pose a substantial threat of bodily harm or danger to other members of the campus community. Metro Beauty Academy will make every effort to ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger. Metro Beauty Academy reserves the right to notify parents/guardians of dependent students regarding any health or safety risk, or a change in student status.

The school does not provide living situations, transportation situations, or working situations during enrollment. The school is obligated to change a victim's academic situation after the alleged sex offense, if requested by the victim, and the change is reasonably available regardless if the victim chooses to report the crime to local law enforcement.

Metro Beauty Academy will provide written notification to victims about options and assistance in and how to request changes to their academic situation. Metro Beauty Academy will provide written explanation of the student's or employee's rights and options to the student or employee when they report to the institution that the student or employee has been a victim of sexual assault, domestic violence, dating violence, or stalking whether the offence occurred on or off-campus.

Metro Beauty Academy does not provide existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance or other services for victims on campus, but may at times become aware of and may provide written notification to students and employees about those services provided in the community and at the institution. Please reference the Community Resources Section of this document.

On campus disciplinary proceedings and action for students and employees in cases of alleged sexual assault, domestic violence, dating violence, or stalking will be based on findings by the law enforcement agency investigation, facts pertaining to the crime, and other related mitigating circumstances provided that:

- the accuser and the accused may have others present during the campus disciplinary proceeding and may be accompanied to any related meeting or proceeding by the advisor* or their choice; and,
- both the accuser and the accused shall be informed simultaneously, in writing of:
 - the result of an institutional disciplinary proceeding that arises from an allegation of dating violence, domestic violence, sexual assault, or stalking
 - the institution's procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding, if such procedures are available
 - any change to the result
 - when such results become final

**Note- Advisor of Choice: The institution may not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. The institution may, however, establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.*

Extensions for disciplinary proceeding may be requested in writing to the Office of the Assistant Director..

Proceedings apply to student and employee allegations of sexual assault, domestic violence, dating violence and stalking.

Law enforcement agency information provided by the state concerning registered sex offenders may be obtained at <https://www.pameganslaw.state.pa.us/>

Metro Beauty Academy complies with Pennsylvania Law in recognizing any court ordered stipulations regarding protection including but not limited to Protection From Abuse Orders, “no contact” orders, restraining orders or similar lawful orders resulting from sexual assault, domestic violence, dating violence or stalking. Guidance can be obtained from the Pennsylvania State Police on filing for Protection From Abuse Orders, “no contact” orders, restraining orders or similar lawful orders.

Metro Beauty Academy cannot apply for a legal protective order or restraining order for a victim. The victim is required to apply directly for these services through the criminal court systems. Metro Beauty Academy fully complies with any protective order issued through the criminal or civil justice systems if made aware of such an order and will act accordingly to support that order.

Any person who obtains an order of protection from a court of any of the fifty states should provide a copy to the office of the Assistant Director. A complainant may then meet with the Assistant Director to develop a Safety Action Plan, which is a plan for Metro Beauty Academy and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but not limited to: escorts or special parking arrangements. Accommodations or protective measures are provided if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to local law enforcement.

Metro Beauty Academy may issue an institutional no contact letter if deemed appropriate or at the request of the victim or accused. To the extent of the victim’s cooperation and consent, Metro Beauty Academy offices will work cooperatively to ensure that the victim's health, physical safety, work and academic status are protected, pending the outcome of a formal investigation of the complaint.

Additionally, personal identifiable information about the victim of sexual assault, dating violence, domestic violence or stalking will be treated as confidential. Confidentiality is determined by the Office of the Assistant Director or the Title IX Coordinator per Clery Act Reporting and Disclosure guidance and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant (for example, publicly available record-keeping for purposes of Clery Act reporting and disclosures will be made without inclusion of identifying information about the victim, as defined in 42 USC 1395 (a) (20).) Further, the institution will maintain as confidential, any accommodations or protective measures provided to the victim to the extent that maintaining such confidentiality would

Revised Date: 9/20/2021

not impair the ability of the institution to provide the accommodations or protective measures. The Office of the Assistant Director or the Title IX Coordinator will inform the victim before sharing personally identifying information that the institution believes is necessary to provide an accommodation or protective measure.

Metro Beauty Academy upon request, will disclose the results of any disciplinary proceedings conducted by the institution against a student who is the alleged perpetrator of any crime of violence or a non-forcible sex offense (incest or statutory rape) to the alleged victim or next of kin if the victim is deceased.

Primary prevention programs: Programming, initiatives, and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe direction.

Risk reduction: Options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

Risk Reduction & Prevention Tips

There are things all of us can do to be as safe as possible. Here are some suggested strategies to help to reduce vulnerability to sexual violence, whether it be sexual assault, relationship abuse, or stalking.

To reduce the risk of sexual assault

- Respond assertively: Communicate any discomfort you feel with another person's behavior. Don't make excuses. Trust your instincts.
- Don't isolate with someone you just met: Always have a safe way to get home. Don't sleep over because you can't get home. Especially don't isolate with someone who tries to get too close, enjoys your discomfort or someone who doesn't listen or respond when you say "NO".
- Avoid drunk sex: Limit your alcohol consumption so that you can protect yourself, prevent aggressive behavior under the influence or help a friend who may need you.
- Believe in your right to set sexual limits for yourself: Learn how to communicate these limits and how to assert yourself by saying "NO" convincingly when you mean "NO" and "YES" when you mean "YES".
- Believe in another person's right to say "NO": Be aware of the affect peer pressure has on your decision here. Remember it's okay not to have sex. Accept that "NO" means "NO".
- Date men/women who are your equal thinking you have more of a right to your desires can lead to date rape or dating abuse.
- Remember active consent is necessary every time you have sexual contact with someone. Don't assume previous permission for sexual contact applies to the current situation (especially when a person is asleep or drunk).
- Don't assume behavior is a signal for sex. Thinking someone wants sex is not the same as knowing for sure. Be sure. Communicate.

To reduce the risks and warning signs of abusive relationship (Dating & Domestic Violence)

- Listen to yourself if you are sensing "bad vibes", especially if you are feeling down on yourself or find yourself afraid in a relationship. Trust your instincts.
- Know that even one instance of physical, verbal or emotional violence is dating violence.
- Cruelty or physical violence to other people, animals or you, even if it happens just once, is a sure sign that more abuse is to come.
- Be alert to actions which reduce your personal independence and self-control, such as urging you to give up existing friendships or family connections, telling you either what to wear, or what to say or who to hang out with.
- Be alert to signs of jealousy and/or possessiveness. These are signs of insecurity, not love.
- Seek assistance from professionals who can help you learn more about abusive relationships and to explore options that are available to you.
-

To reduce the risks of stalking

- If you are in immediate danger, call 9-1-1.
- Do not ignore any threat. Report any instance of stalking to University Police, immediately. Trust your instincts.
- Keep evidence of any threat or instance of stalking. Keep a daily journal containing information on time, date and place of each instance, and keep it all in a safe and confidential place. Keep emails, phone messages, letters, and notes.
- Don't downplay a sense of danger by thinking "it will just go away". If you feel unsafe, you probably are. Stalking behavior typically does not just stop.
- Tell family, friends, roommates and co-workers about the stalking and seek their support.
- Limit the distribution of personal information, including home address and phone numbers, and be wary of any person who seeks to obtain too much personal information about you too quickly. Be careful about what you choose to post on public web services, such as "Facebook". Fully shred all personal information before disposing of anything in the trash.
- Maintain quick access to critical telephone numbers and the location of safe places.
- Seek assistance from law enforcement and/or qualified professionals who can help you with safety strategies that are appropriate to your individual circumstances, including assistance with obtaining court issued orders of protection.

Federal Bureau of Investigation's (FBI) Uniform Crime Reporting (URC) program. - A nationwide, cooperative statistical effort in which city, university and college, county, State, Tribal and federal law enforcement agencies voluntarily report data on crimes brought to their attention. All reported crimes must be recorded (i) An institution must include in its crime statistics all crimes listed in paragraph (c) (1) of this section occurring on or within its Clery geography that are reported to a campus security authority for purposes of Clery Act reporting. Clery Act reporting does not require initiating an investigation or disclosing personally identifying information about the victim, as defined in section 40002(a)(20) of the Violence Against Women Act of 1994 (42 U.S.S 13925(a)(20)).

An institution may not withhold, or subsequently remove, a reported crime from its crime statistics based on a decision by a court, coroner, jury, prosecutor, or other similar non campus official.

An institution may withhold, or subsequently remove, a reported crime from its crime statistics in the rare situation where sworn or commissioned law enforcement personnel have fully investigated the reported crime and, based on the results of this full investigation and evidence, have made a formal determination that the crime report is face or baseless and therefore "unfounded." Only sworn or commissioned law enforcement personnel may "unfound" a crime report for purposes of reporting under this section. The recovery of stolen property, the low value stolen property, the refusal of the victim to cooperate with the prosecution, and the failure to make an arrest do not "unfound" a crime report.

An institution must report to the Department and disclose in its annual security report statistics the total number of crime reports that were "unfounded" and subsequently withheld from its crime statistics during each of the three most recent calendar years.

Crimes must be recorded by calendar year. An institution must record a crime statistic for the calendar year in which the crime was reported to local police agencies or to a campus security authority.

Recording reports of stalking.

- When recording reports of stalking that include activities in more than one calendar year, an institution must record a crime statistic for each and every year in which the course of conduct is reported to the local police agency or to a campus security authority.
- An institution must record each report of stalking as occurring at only the first location within the institution's Clery geography in which:
 - A perpetrator engaged in the stalking course of conduct; or
 - A victim first becomes aware of the stalking.

Identification of the victim or the accused. The statistics do not include the identification of the victim of the person accused of committing the crime.

Pastoral and professional counselor. An institution is not required to report statistics under paragraph (c) of this section for crimes reported to a pastoral or professional counselor.

Using the FBI's UCR program and Hierarchy Rule. (i) An institution must compile the crime statistics for murder and nonnegligent manslaughter, negligent manslaughter, rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, liquor law violations, drug law violations, and illegal weapons possession using the definitions of those crimes from the "Summary Reporting System (SRS) User Manual" from the FBI's UCR Program. An institution must compile the crime statistics for fondling, incest, and statutory rape using the definitions of those crimes from the "National Incident-Based Reporting System (NIBRS) User Manual" from the FBI's UCR Program.

An institution must compile the crime statistics for the hate crimes of larceny-theft, simple assault, intimidation, and destruction/damage/vandalism of property using the definitions provided in the "Hate Crime Data Collection Guidelines and Training Manual" from the FBI's UCR Program.

In counting crimes when more than one offense was committed during a single incident, an institution must conform to the requirements of the Hierarchy Rule in the "Summary Reporting System (SRS) User Manual."

If arson is committed, an institution must always record arson in its statistics, regardless of whether or not it occurs in the same incident as another crime.

If rape, fondling, incest, or statutory rape occurs in the same incident as a murder, an institution must record both the sex offense and the murder in its statistics.

Statistics from police agencies.

In complying with the statistical reporting requirements, an institution must make reasonable, good-faith effort to obtain statistics for crimes that occurred on or within the institution's Clery geography and may rely on the information supplied by a local or State police agency.

If the institution makes such a reasonable, good-faith effort, it is not responsible for the failure of the local or State police agency to supply the required statistics.
