COLLABORATIVE PARTNER: PIVOT POINT INTERNATIONAL

“Thoughts—Ideas—Visions”

It all begins in the mind. Whether creating a hair design, a sculpture, a painting, or a company, it begins with a single idea. Pivot Point’s vision came from the Bauhaus, the most celebrated art school of modern times. The aim of Pivot Point is to train craftspeople to elevate their skills to a higher level of artistic creativity.

By adapting the Bauhaus philosophy to the craft of cosmetology, Pivot Point provides the educational structure to develop true hair designers. Their designers analyze, envision, and plan their work. At Pivot Point, they believe in the importance of teaching a hair designer why, as well as how, something works. Knowing *how* only results in technical skills. Knowing *why* allows for the freedom to create. This freedom is achieved through their unique educational delivery system, incorporating interactive technology on the cutting edge of education. For 50 years, Pivot Point has created successful careers for thousands of designers, designers who create in the realm of hair design and esthetics and who satisfy millions of clients in salons and spas throughout the world. Many of the principles of art, form, and color are used in both areas of study and practice. Metro Beauty Academy is proud to utilize Salon Fundamentals curriculum and to showcase the uniqueness of this curriculum to our students.

EXTRA TUITION HOUR CHARGE

All courses offered by Metro Beauty Academy have maximum time limits for completion. Details of any extra charges, if applicable, are agreed to in the student's "Enrollment Agreement". Students are given ample time to complete required hours; however, if a student cannot finish in the required amount of time, and if there are no extenuating circumstances to warrant a deadline extension, the school charges additional tuition at the hourly rate of the program for each hour of instruction, until the course is completed. Extra tuition charges are required to be paid in full prior to the student graduating the program. **A school may, at its option and without notice, suspended a student from attending class until extra tuition charges are satisfied.**

FIELD TRIPS

Field trips to local salons, spas, and resorts are offered throughout the year to encourage students' exposure to some of the top employers throughout the Lehigh Valley. Additional field trips to New York may be offered to students. In some cases (New York, etc.) there may be additional expenses to be shared with students. All students must complete a written consent form to participate in Metro Beauty Academy field trips. The only off-campus activities that will qualify for the accrual of student hours will be school-approved field trips. Students will not receive hours for other activities which are conducted off-campus. For selected field trips, if students elect to not participate, they may not be able to attend school and accrue hours during that time.

GRADE AND HOUR TRANSCRIPT REQUESTS

Students may request access to their records at any time. Metro Beauty Academy provides one copy of an official transcript upon graduation. Additional requests for transcripts will be subject to a \$20 fee. Any request to release records to another individual must be authorized in writing by the student for each individual request. These requests must be signed and dated by the student. When a student requests records to be sent to another school, the request must specify the institution to which the records will be sent. When the request for records is received, it will be processed and forwarded to the proper department. Copies of student paperwork will not be released if a student is not considered financially current at the time of request.

GRADING SYSTEM

Students receive a percentage grade for both theory and practical/clinic work. Practical, theory, and clinic grades are evaluated at the completion of each scheduled evaluation segment. The evaluation shows the student's practical average, theory (written examinations), and clinic participation average. An overall average of 75% is required for satisfactory progress in all academic areas.

The following table represents grade scale equivalencies:

A—Excellent	93%–100%
B—Good	84%–92%
C—Average	75%–83%
D—Failing	Below 75%
I—Incomplete	No grade given until assignments are completed.

Report cards are distributed to cosmetology students at the end of each curriculum area; to esthetics students, at the conclusion of 300 and 450 hours; to massage students every 8 weeks, and to instructor students, at the end of each curriculum area.

of Education, and requires reasonable expectation that the student will return as well as all supporting documentation concerning the necessity of the leave of absence. The student will be on probation or not making satisfactory academic progress at the time of return if he/she was on probation or not making satisfactory academic progress at the time the leave started. The student will finish out the probationary period from the last scheduled evaluation (allowing for the time the student was on leave) and, for those who were deemed unsatisfactory at the time the leave began, may pursue the appeal process.

These chemicals could cause minor skin irritations, allergic reactions, or other problems in various individuals. Individuals that are using dye, tint, or other chemicals, shall follow the directions of the manufacturer, and the regulations and instructions of FDA that pertain to the substance(s).*
- Constant standing throughout the day, with little movement. Problems associated with inactivity such as this may be prevented to some degree, by the use of proper foot attire,

exercise, and good posture habits. Effects of this type of activity may result in back fatigue, tendonitis, muscular irritations, foot fatigue, etc

- Working with sharp instruments, such as shears, razors, etc. These tools could cause injury or bodily harm, if not used correctly.
- Dangers of hydraulic chairs, laundry machines, and other salon equipment. As with any mechanical device, injury could occur if manufacturer's directions are not followed.
- Hair problems, skin diseases, nail diseases, etc. Students are advised to follow proper sanitary procedures when working with other human clients.
- Proper manufacturer's guidelines must be followed when using chemicals and products that come in contact with human skin, nails, and/or hair. It is the responsibility of the student to determine if there is concern about chemicals and products due to an individual health condition, and to inform their instructor as such.
- The proper use of electrical equipment should be maintained at all times. Electrical appliances shall be installed properly and grounded.*
- Floors that are wet, from shampoo areas, etc., are a constant source of injury to all involved. Any moisture must be removed immediately, in order to prevent accidents from occurring. Also, floors should be safe, sanitary, and orderly.*
- Removing lint from electric dryers is a necessity for the prevention of fires in the laundry area.
- Proper lighting and ventilation are necessary for successful working conditions.*
- Any instrument or appliance that comes into contact with a client shall be sanitized immediately after each use and maintained in a sanitary condition at all times.*
- A licensee (teacher or student with a license) can refuse to serve a client whom the licensee believes to have an infectious, contagious, or communicable disease, unless the client can produce a physician's certification that the client does not have an infectious, contagious, or communicable disease.*

While the massage industry can be quite rewarding, in terms of financial and psychological benefits, it could potentially pose problems that may affect some individuals more than others. The following items should be considered by students, as examples of potential problems, which could be encountered for all who are interested in exploring the world of massage therapy:

“Because massage is a hands-on profession, one involving touch, the massage practitioner should be physically and mentally fit and be free of any communicable diseases. It is the practitioner's duty to keep him/herself in top physical condition. Massage is hard work and requires the therapist to stand for extended periods, especially when performing multiple massages. The practitioner must have physical stamina and the ability to concentrate on giving a therapeutic massage” (from “Theory and Practice of Therapeutic Massage” by David Beck, 5th edition, p. 30, Milady Publishing)

PLACEMENT ASSISTANCE

The school does not guarantee employment or salary to its students upon graduation. However, the school will assist students in placement procedures. These include: identifying employment opportunities as the school becomes aware of job openings, and advising students to take advantage of these opportunities, with lessons on seeking and obtaining employment. These lessons include résumé writing, portfolio building, completion of employment applications, and effective preparation for interviews.

PROBATION

At each scheduled evaluation, a student who is not meeting the 67% attendance requirement and/or not meeting the 75% grade point average will be placed on warning until the next scheduled evaluation, in order to make up hours and/or grades. Those students who are on warning are considered to be making satisfactory academic progress until the next scheduled evaluation.

REFUND (WITHDRAWAL & SETTLEMENT) POLICY

Once a student has signed the Student Enrollment Agreement, they have 3 business days to cancel the agreement. A student or legal guardian cancelling the contract within the three day period will be entitled to a refund of all monies paid less the \$45 nonrefundable application fee. Applicants canceling prior to the beginning of classes, but after the three day period, shall receive a full refund of all monies collected, minus the nonrefundable application fee. All refunds will be made within 30 days of the cancellation date.

Applicants not accepted by the school shall receive a full refund of all monies paid, minus the nonrefundable application fee of \$45.00.

Official cancellation or withdrawal is understood to occur on the date that an applicant cancels the contract, the date an applicant is not accepted by the school, the date of notification of withdrawal or plan not to return from a leave of absence, the date of documented return from a leave of absence if notification is not made, or the date a student is expelled by the school. The school reserves the right to terminate a student who has not notified the school, and has not responded to the schools contact attempts within fourteen (14) consecutive days of his/her absence. Attendance is monitored at a minimum of every 30 days to determine unofficial withdrawals. The cancellation date is determined by postmark on written correspondence, or the date that information is delivered to the school in person.

Costs not included in tuition, including books, kit, and fees, are nonrefundable once incurred. The purchase of kit equipment is always final. The kit may not be returned for a refund.

If the school cancels a program or ceases to offer instruction in a program after students have enrolled and instruction has begun, the school will, at its option, provide a pro rata refund to transfer students based on hours accepted at a receiving school, provide completion of the program, or provide a full refund. If the school permanently closes, the student shall be entitled to a pro-rata refund of tuition. If the program has not begun, the school shall at its option provide a full refund of all monies paid or provide completion of the program.

For students who enroll and begin classes, and subsequently withdraw either officially or unofficially, the following schedule of tuition adjustment is authorized based on actual hours attended:

If A Student Withdraws - Percentage of Time in Program	Percentage of Tuition Refunded to Student
Within the first 7 calendar days of the program	100%
After the first 7 calendar days but below 5%	80%
5% - 9.9% of the program	70%
10% - 14.9% of the program	60%
15% - 24.9% of the program	55%
25% - 49.9% of the program	30%
Over 50% of the program	0%

The school reserves the right to adjust the tuition schedule when evidence of mitigating circumstances exist.

Students dropping before the start of the second week of class will receive a full refund, less application fee, for any program that is a minimum of 450 clock hours.

The withdrawal or termination date, for refund computation purposes, is last day of recorded attendance. Any monies due to the applicant or student shall be refunded within thirty (30) days from the date of formal withdrawal or termination. Enrollment time is defined as the time elapsed between the actual start date and the last date of physical attendance in school.

In the instance that a student does not fulfill their monetary obligation to the school, the account may be forwarded to a collection agency. Metro Beauty Academy employs the assistance of agencies who reflect ethical business practices.

The school reserves the right to make changes in the course content, rules and regulations, and class schedules. If such changes occur, they will be publicized through normal channels well in advance of their implementation and will not result in additional charges to the student.

RULES AND REGULATIONS FOR STUDENTS

Rules and regulations, as established by the Commonwealth of Pennsylvania State Board of Cosmetology, and State Board of Massage Therapy, must be adhered to at all times. These rules are posted on bulletin boards, in the dispensary, and in the student lounge. The school rules may be changed at the discretion of the school administration. Failure to obey these rules and regulations could be cause for termination.

Attendance

Absences and tardiness will be determined by the program in which the student is enrolled. The policy is as follows:

Program	Total Absent/Tardy Hours Permitted Per Period	Maximum Amount of Tardy/Early Leave Days Allowed Per Period
Full Time Cosmetology (8 week period)	25 Hours	8

Part Time Cosmetology (11 week period)	25 Hours	11
Full Time Esthetics (5 week period)	15 Hours	5
Part Time Esthetics (7 week period)	15 Hours	7
Full Time Massage (8 week period)	23 Hours	8
Part Time Massage (11 week period)	23 Hours	11
Full Time Teacher (5 week period)	20 Hours	5
Part Time Teacher (7 week period)	20 Hours	7

Should a student exceed the allotted hours and/or allowable days of tardiness, they will be put on attendance monitoring which will continue through the next program period. If attendance does not improve during the attendance monitoring period, a student may be suspended or terminated. While extenuating circumstances do arise, chronic tardiness in the school environment and work place is unacceptable and detrimental to the student's education and therefore will be handled on an individual basis at the school's discretion.

Make up hours must be made up Monday through Thursday from 4:00-5:30 and/or Saturday from 9:00-4:00. Students may also makeup hours by attending school/instructor supervised events. Students must makeup all missed work.

Classes start promptly at 9:00 a.m. and 5:30 p.m. Students must be in class by 9:00 a.m. and 5:30 p.m. in order to be admitted to class. To prevent classroom disruption, any student arriving after the class start time must wait until the next classroom break time, as designated by each classroom instructor, to enter the class. Students who are in clinic and are tardy would forfeit any scheduled clients they had at that time. Additionally, students who are on clinic and refuse a guest may be sent home and will not earn hours for the remainder of the day.

Students are expected to be in regular attendance, and to make up any time missed, due to tardiness or absenteeism, in order to abide by the contract signed upon enrollment, and according to the satisfactory academic progress policy. All absences are considered unexcused and time missed must be made up. Students exceeding the allotted time may be required to repeat the curriculum which may result in extra tuition costs. Students who are absent for 14 consecutive days may be terminated.

Make Up Work

All courses offered by Metro Beauty Academy have maximum time limits for completion (see Satisfactory Academic Progress Policy on page 35 of this Student Handbook). If a student is absent, it is up to the student to work directly with the instructor and/or classmates to obtain notes and/or missed assignments. Students are given 5 school days to complete all missed assignments, and will receive a zero for any assignments not completed within the given time period. If the student does not complete the makeup work on the day they return from their absence, points will be deducted for each of the allotted 5 days that the makeup work remains incomplete.

Dress code

Metro Beauty Academy and its students are in the fashion world. The success of the beauty industry depends on a vital connection to art, music, fashion, and wellness. A professional image is critical to a student's future. Creativity is encouraged, but students must maintain the following dress code:

Cosmetology, Esthetics and Makeup students must wear a school issued Metro Beauty Academy Gear shirt/jacket with black dress pants and appropriate professional, closed-toe shoes. The cosmetology outfit must be 100% black. Metro Beauty Academy shirt must be the outer garment. Students in the Teacher's Program must adhere to this policy, with the exception of the school issued shirt/jacket. Instead, student teachers must wear the school issued name tag.

Massage students must wear a school issued Metro Beauty Academy Scrub uniform and appropriate shoes.

Clothing must be professional, clean, and free of stains and tears.

Hair must be clean and styled prior to arriving at school.

Cosmetics must be applied prior to school arrival, using trend-appropriate makeup techniques.

Unacceptable attire includes athletic shoes, moccasins, Ugg-style boots, crocs, open-toe shoes, hats, jeans or clothing made of denim or appear to be denim, shorts, tank tops, sleeveless tops with less than a "three finger" strap, athletic attire (including: yoga pants, sweatpants, sweat shirts, etc), any form of leggings/stockings (or give the appearance of leggings/stockings), printed t-shirts other than those with Metro Beauty Academy logo, unclean or unprofessional clothing, and jewelry that inhibits proper work techniques or is offensive to others. Articles of apparel that meet the following criteria are prohibited: have a "washed" look; are gray, or have other colors visible; are not black; and are not appropriate for proper duties and responsibilities as a cosmetologist, esthetician, or massage therapist (as enforced by the instructor).

Undergarments must be covered at all times. Students may not wear hats, scarves, or other accessories that cover the head or are distraction to students, staff and/or guests.

Students who fail to comply with this professional dress code may be asked to leave and return with appropriate attire. If this occurs, students must clock out, and will not accrue hours until they have returned with the appropriate apparel, and clock in.

Kits & lockers

Kits are the students' responsibility. Items that need to be replaced are the sole responsibility of the student. Sanitary procedures must be followed in the sterilization of all kit equipment.

Students are assigned lockers for the safekeeping of personal items, including kits. Metro Beauty Academy is not responsible for lost or stolen articles, within the Academy premises, or within student lockers. Metro Beauty Academy strongly recommends all students to use the

locker provided. Students should not change lockers without notifying the instructor first. Kits and lockers may be opened for inspection periodically, by the staff of Metro Beauty Academy, in an attempt to maintain the safety of all students. Students will be assessed a total of \$20.00 if assigned locks or keys are damaged or are not returned to Metro Beauty Academy. Metro may change the contents of the kit, without prior notice.

Products & services

Only professional products from Metro Beauty Academy should be used. Products and services are available to the students at a student price and are a privilege. Students may earn the ability to exchange services by meeting one of the set goals on the clinic floor in exchange for a token. Product usage costs still apply to students for chemical services, which will be collected in advance, the same day the service is performed. An exchange token will allow a student to receive an exchange any day or time and will take precedence over outside guests.

Conduct

Students are required to maintain satisfactory conduct at all times. Loud, abusive, or profane language will not be tolerated. Gossiping, harassment, fighting, causing discord of any kind, or showing disrespect and/or defiance to anyone may be grounds for termination. Directions of instructors and Metro staff members must be followed at all times, even in the event of situations that may arise, which are not expressly mentioned in this handbook.

The use of drugs without a filled doctor's prescription is prohibited on school property. Students under the influence of drugs and/or alcohol will be sent home immediately. If this occurs, disciplinary action will be taken, which could result in suspension and/or termination.

Any type of cheating or plagiarism is strictly prohibited, and may result in curriculum failure, suspension, termination, or other actions deemed appropriate by school officials.

Lunches

Lunchtime will be scheduled for each class at half-hour intervals. Students may either leave the building or use the student lounge provided on the main level of the school. There should be no eating or drinking on the clinic floor, in the dispensary, or in classrooms. Students must clean up after themselves. Coffee and refreshments are services provided to students at a reasonable expense.

Tuition

Tuition is payable at the guest relations desk during business hours. All payments are credited to the student's account. Students will be provided a register receipt confirming their payment. Lack of tuition payments may result in termination.

Cleanliness policy

Students are assigned workstations, which can be changed from time to time by the instructor. All students are responsible for keeping their workstation, chair, and surrounding floor area clean, sanitary, and free of clutter at all times. In addition, students should show consideration for instructional materials of their classmates and for school property.

Check cashing policy

Checks are accepted at Metro Beauty Academy for enrollment purposes, as well as, the purchase of products or services.

Telephone policy

All phone calls should be made before or after school hours, or at lunch. Cell phone use is not permitted during school hours, in instructional areas. Beepers, cell phones, palm devices, iPods, or any type of electronic device should not be brought into Metro Beauty Academy unless they are turned off, and kept in a locker. Personal calls for students will not be taken, or made, at the reception desk or in any office, except in an emergency.

Visitor policy

Students may not receive visitors during school hours unless approved by the Metro Beauty Academy director under special circumstances. Anyone who is not a current Metro Beauty Academy student is considered to be a visitor. Approval should be obtained prior to the day of the anticipated visit.

Reception desk policy

Students are not permitted behind the front desk at any time unless assigned there for learning purposes. In addition, congregating around the front desk is prohibited. The receptionist works intently to make appointments, and to service guests, in order to assist students in their education. Students should greet guests in a timely manner, assist them in making product purchases, and facilitate their check out.

Parking policy

Metro Beauty Academy students should park in the student lot in the back of the building. Based on need, students may be asked to park in a nearby lot or along the street. All front lot parking is reserved for customers and visitors. Spaces that are designated for visitors or handicapped individuals are not for student use, unless prior approval has been granted. Students not abiding by these regulations may be towed, at their expense, and will receive an advisory which may lead to further disciplinary action. Any, and all, expenses or damages incurred by such towing, and subsequent parking arrangements, will be the sole responsibility of the student.

Safety policy

By following safety precautions, students contribute to the health, welfare, and safety of the community. Students should always practice good hygiene and be professionally dressed. A first aid kit is kept in classrooms and in the dispensary. Students should follow safety regulations and keep equipment properly sanitized. The following precautions should always be taken with each client:

1. Protect the guest's clothing with appropriate draping.

2. Keep any and all chemicals away from the eyes. In case of eye contact with chemicals, thoroughly rinse with cold water.
3. Wear gloves when handling chemicals.
4. Anything containing chemically active ingredients must be used carefully to avoid injury to students or guests.
5. If blood spills occur during a procedure, proper steps must be taken for the safety of all involved.

Non-smoking policy

Metro Beauty Academy is a smoke-free facility. There are areas designated behind the school for those students who smoke. Please dispose of your smoking items properly.

Non-gum chewing policy

Gum chewing is not permitted at Metro Beauty Academy.

Weapons policy

Under no circumstances and at no times will weapons, firearms, or threatening items be permitted at Metro Beauty Academy. Acts of indecency and violence will be grounds for termination. Authorities may be called to the school to handle any acts of violence, presence of weapons, or threatening behavior.

Services

Students are not permitted to provide services outside the school until licensed by the Pennsylvania State Board of Cosmetology, or Pennsylvania State Board of Massage Therapy.

Waiver and indemnification

As part of the course of instruction, students may practice by performing services on each other. Students must accept all risk of injury due to another student's negligence or lack of skill; further, students must waive any claims they may have against the Metro Beauty Academy, LLC, that may arise when one student performs services on another, and must agree to hold the Metro Beauty Academy harmless against any claims arising from the services performed by students or any other person, and on himself/herself. Such indemnification includes costs and expenses, such as reasonable legal fees incurred by the Metro Beauty Academy in enforcing the terms of this agreement.

Photography policy

Students of the Metro Beauty Academy, LLC, must give permission to use their photo in any and all forms of advertising for an unlimited amount of time. Students must release the Metro Beauty Academy, LLC, of any and all claims made regarding the use of their photo. A student wishing to revoke this permission should see Student Services.

Student Rules and Regulations

The student rules and regulations that have been published in this handbook will be enforced. Failure to obey these rules and regulations may result in suspension and/or termination. The administration and staff reserve the right to make decisions, based on the situation that has occurred.

SATISFACTORY ACADEMIC PROGRESS POLICY

Satisfactory progress in attendance and in academic course work is a requirement for all students enrolled at Metro Beauty Academy whether participating in Title IV programs or not. It is printed in the school catalog to ensure students receive a copy prior to enrollment. Students receiving funds under any Federal Title IV financial aid program must maintain satisfactory academic progress in order to continue eligibility for such funds.

Copies of satisfactory academic progress evaluations can be obtained by request to the student services departments.

Attendance

All students must maintain a 67% cumulative attendance average in order to be making satisfactory academic progress and to complete the program within the maximum time frame. All educational programs at Metro Beauty Academy must be completed within 150% of the normal length of the program. If a student does not complete the program within 150% of the normal length of the program they will be terminated. Transfer hours accepted from other schools are counted as both attempted and completed for the purpose of determining when the allowable maximum time-frame has been exhausted.

Course	Maximum Scheduled Hours
Cosmetology	1875
Esthetics	675
Teacher	900
Massage Therapy	1050

Academic

The following factors will be assessed to determine academic progress:

- Theory assignments
- Practical assignments
- Laboratory assignments

An overall average of 75% is required for satisfactory progress in all academic areas.

The following table represents Metro Beauty Academy’s grading scale:

Letter Grade	Description	Percent
A	Excellent	93 - 100
B	Good	84 – 92
C	Average	75 – 83
D	Failing	Below 75
I	Incomplete	No grade assigned until assignments are completed.

An incomplete grade can only be used in the last segment of training. The last segment is primarily hands on clinic work. Metro Beauty Academy has established a minimum requirement for the number of services required to be performed on clients. Failure to meet the minimum requirements can result in an “incomplete” grade. Students may complete the requirement as long as they do not exceed the maximum number of weeks allowed.

A cumulative grade point average of 75% is required for graduation from Metro Beauty Academy, and for eligibility to take the Pennsylvania State Board of Cosmetologists Examination, or one of the accepted Massage Therapy Licensing exams – the NCETM, NCETMB, or MBLEx examination – accepted by the Pennsylvania Massage Therapy Licensing Board.

Determination of Progress

Only students who maintain satisfactory academic progress are eligible for Title IV funding. Students are evaluated for satisfactory academic progress as follows:

Cosmetology	450, 900 actual contracted hours
Esthetics	225 actual contracted hours
Teachers	300 actual contracted hours
Massage Therapy	350 actual contracted hours

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next scheduled evaluation. SAP evaluation periods are based on actual contracted hours at Metro Beauty Academy.

The status of financial aid probation is assigned to students who fail to meet minimum requirements for attendance and academic progress and who successfully appeal. Students are placed on probation and considered to be making satisfactory academic progress while during the probation period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. At that time the student and institution will develop an academic plan for the student that, if followed, will ensure that the student is able to meet the institution’s satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student. If at the end of the probationary period, the student has still not met both the attendance and academic requirements, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will

not be deemed eligible to receive Title IV funds. Students who fail to meet SAP will be notified as to the effect on their financial aid. Reenrollment eligibility of a student who was terminated for not making satisfactory academic progress will be determined on a case by case basis.

Appeal Process

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination. The student must submit a written appeal to the school with supporting documentation of the reasons why the determination should be reversed. The student may appeal for reasons such as the death of a relative, an injury or illness of the student or other allowable special circumstances. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and the federal financial aid will be reinstated, if applicable.

Leave of Absence or Withdrawals

If enrollment is temporarily interrupted for a Leave Of Absence, the student will return to school in the same progress status as prior to the leave. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll within six months of the original with official withdrawal date will return in the same satisfactory academic progress status as the time of withdrawal. A student granted a Leave of Absence that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

Incomplete courses, repetitions, and remedial programs

All incomplete courses, repetitions, and remedial programs or courses will have no effect on a student's satisfactory academic progress status.

SCHOOL CLOSURES

Students are notified of unexpected closures due to extenuating circumstances via local television stations, www.wfmz.com, our website and Facebook.

SCHOOL HOLIDAYS

Metro is not in session for the following holidays: New Year's Day, Memorial Day, 2 Day Independence Day Break, Labor Day, Thanksgiving Day, Thanksgiving Friday, 3 days off for Holiday/Winter break in December, New Year's Eve ½ day. Holidays that fall on Saturday or Sunday will be observed on either Friday or Monday as determined by administration.

SEXUAL AND DISCRIMINATORY HARASSMENT

It is the objective of Metro Beauty Academy, LLC to provide a school environment free from discrimination and conduct, commonly referred to as sexual harassment. The E.E.O.C. (Equal Employment Opportunity Commission) has provided a broad definition of sexual harassment. The definition, which is general in nature and may not always be clear when evaluating everyday situations is as follows: unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- submission to such conduct is made either explicitly or implicitly a term or condition of a student's evaluation and/or performance; or
- submission to or rejection of such conduct by an individual is used as a basis for evaluation, performance, or continued enrollment as a student at Metro; or
- such conduct has the purpose or effect of unreasonably interfering with a student's work performance or creating an intimidating, hostile, or offensive working environment.

Sexual harassment refers to inappropriate behavior in school because it is offensive, unwelcome behavior which would not occur, but for the sex of the offended person. Both sexual harassment, and accusations of sexual harassment, are disrupting to the academic environment.

If students experience perceived or real sexual/discriminatory harassment, or accusations of sexual/discriminatory harassment, they are encouraged to report it promptly to their instructor or to any member of the Metro staff. Metro Beauty Academy, LLC will investigate any student or employee, regardless of job position when such allegations are made. Based on available information, Metro Beauty Academy, LLC will take appropriate action and communicate on a need-to-know basis. Appropriate disciplinary action, up to, and including termination will be taken against any individual, if sexual harassment charges are determined to be valid. Appropriate legal authorities may be notified, depending upon the situation.

Discriminatory harassment includes any unwelcome or unwanted attention, and other verbal, visual or physical conduct or other form of offensive behavior directed toward a student because of, or on account of his or her race, color, religion, national origin, age, disability, sexual orientation, marital status or veteran status, (or such conduct or behavior that may be offensive on the basis of race, color, religion, national origin, age, disability, sexual orientation marital status or veteran status and to which a student may be exposed, directly or indirectly) when:

- submission to or rejection of such conduct by a student is used as a basis or factor in decisions affecting the evaluation, performance, or continued enrollment as a student at Metro; or
- submission to such conduct is made either explicitly or implicitly a term or condition of a student's evaluation and/or performance; or
- such conduct has the purpose or effect of unreasonably interfering with an individual's work performance; or creating an intimidating, hostile, or offensive working environment.

Early testing is available for Cosmetology, and Teacher Training students. Taking the early testing exam does not provide a temporary license, instead candidates are eligible to receive their full license upon graduation from their program.

Because of the short number of hours in the Esthetics program, Metro does not recommend early testing for students in this program.

Candidates for early testing should see Career Services to obtain transcripts one they have reached the required hours. Hour requirements for early testing are:

SCHOOL CODE OF CONDUCT POLICY

Schools participating in any of the Title IV loan programs are required by the Department of Education to develop, publish, and enforce a code of conduct. This Code of Conduct applies to all Metro Beauty Academy staff and has been developed to govern interactions between Metro Beauty Academy and lenders to ensure that these relationships are in the best interest of students.

Ban on Revenue Sharing Agreements

Metro Beauty Academy, nor any of its officers, employees, or agents will enter into any revenue sharing arrangements which are defined by the Higher Education Opportunity Act of 2008, amending the Higher Education Act of 1965, as any arrangement between the institution and a lender where, as a result of the institution recommending a lender to its students or families of

such students, the lender pays a fee or provides other material benefits, including revenue or profit sharing to the institution or agent.

Ban on Gifts

Financial Aid Office employees (or employees who have responsibilities with respect to education loans or financial aid) must not solicit or accept any gift from a lender, guarantor, or loan servicer. For purposes of this Code, a “gift” is defined as any gratuity, favor, discount, entertainment, hospitality, loan, or other item having monetary value of more than a de minimus amount. The HEOA provides some exceptions from its definition of “gift” including the following:

- Standard material, activities, or programs on issues related to a loan, default aversion, default prevention, or financial literacy such as a brochure, a workshop, or training.
- Food, training, or informational materials as part of training as long as that training contributes to the professional development of those individuals attending the training.
- Favorable terms and benefits to a student employed by the institution as long as those same terms are provided to all students at the institution.
- Entrance and exit counseling as long as the institution’s staff are in control, and they do not promote the services of a specific lender.
- Philanthropic contributions from a lender, servicer, or guarantor or any contribution from a lender, servicer, or guarantor that is not made in exchange for any advantage related to education loans.
- State education grants, scholarships, or financial aid funds administered by or on behalf of a State

For purposes of this Code, a “gift” to a family member or an agent, or to any individual based on that individual’s relationship with the agent, is considered a gift if:

- The gift is given with knowledge and approval of the agent and
- The agent has reason to believe the gift was given because of the official position as an agent.

Ban on Contracting Agreements

Financial Aid Office Employees (or employees who otherwise have responsibilities with respect to education loans) will not accept from any lender or its affiliates any fee, payment or other financial benefit, including the opportunity to purchase stock, as compensation for any type of consulting arrangement or other contract to provide services to a lender or on behalf of a lender.

Ban on Directing Borrowers

Academy and its officers, employees, or agents will not assign first time borrowers, via award packaging or other methods, to a particular lender or refuse to certify or delay certification of any loan based on the borrower’s selection of a particular lender or guaranty agency.

Ban on Offers or Funds for Private Loans

The Academy and its officers, employees, or agents will not request or accept from any lender

any offer of funds to be used for private education loans. This prohibition includes any offer for an opportunity pool loan to students in exchange for providing the lender with a specified number of loans, a specified loan volume on such loans, or a preferred lender arrangement for such loans.

Ban on Staffing Assistance

The Academy and its officers, employees, or agents will not request or accept from any lender any assistance with call center staffing or financial aid office staffing. However, the HEOA does not prohibit institutions from requesting or accepting assistance from a lender related to the following:

- Professional development for financial aid administrators.
- Provision of educational counseling materials, financial literacy materials, or debt management materials to borrowers as long as the materials provided disclose to the borrower the identity of any lender that assisted in preparation of the materials.
- Staffing services on a short-term, nonrecurring basis to assist the school with financial-aid related functions during emergencies, including State-declared or federally-declared natural disasters, and other localized disasters and emergencies identified by the Secretary.

Ban on Advisory Board Compensation

Employees of the Academy will not receive anything of value from a lender, guarantor, or group in exchange for serving on an advisory board. They may, however, be reimbursed for reasonable expenses incurred while serving in this capacity.

APPLYING FOR AID

Pell Grants

The student completes the Free Application for Federal Student Aid and the Institutional Financial Aid Application.

Federal Subsidized Direct Loans

The student may obtain an application from his or her local bank, or complete the Free Application for Federal Student Aid.

Federal Unsubsidized Direct and PLUS Loans

Same as Direct Loan.

AWARDING OF AID

Pell Grants

A distinguishing feature of the Pell Grant Program is its control concept of "entitlement."

This guarantees that a student who demonstrates need, will receive a grant based on that need, and on the cost of education at the school they choose to attend. The Pell Grant is similar to a "gift", in the sense that it does not need to be repaid.

Subsidized Direct Loans

The Subsidized Direct Loans are need based, and enable students to borrow money from eligible lenders, at a low interest rate to meet educational expenses. Lenders may choose to whom they lend, within Direct Loan eligibility guidelines. First year undergraduates may borrow up to \$3500 (as of 7/1/15). However, students cannot borrow more than the cost of attendance at their school, less any other financial aid they may receive. Interest on these loans does not accrue while students are in attendance; and, students will have a grace period following graduation, before repayment begins. The fixed interest rate for 2017-2018 is 4.45 percent. These loans must be repaid. Subsidized loans are subject to a maximum eligibility period.

Unsubsidized Direct Loans:

Unsubsidized Direct Loans are educational loans that must be repaid. These loans are not based on need. Independent undergraduates may borrow up to \$6000 per academic year, \$1500 for programs in duration for at least 1/3 of an academic year, and \$2500 for programs in duration of at least 2/3 of an academic year. Dependent undergraduates may borrow up to \$2000 per academic year. The 2017-2018 fixed interest rate of 4.45 percent can be paid while attending school, during a period of deferment or forbearance, or it can be accrued and the interest added to the principle amount of the loan.

PLUS Loans:

Parent Loans for Undergraduate Students (PLUS) are education loans that must be repaid. Parents of dependent students can receive a PLUS loan. Parents of dependent students may borrow an amount that is equal to the cost of education, minus other financial aid per academic year, for a child enrolled at least half-time. The fixed interest rate is 7 percent for the Direct Loan year 2017-2018.

GENERAL ELIGIBILITY

- Students must be enrolled at least half time; i.e., 12 hours per week. (except for Pell)
- Students must be a US citizen, or an eligible non-citizen.
- Students must be able to show need. Need is the difference between the cost of education and the amount which students and/or their family can afford to pay. Need is determined by the information that is supplied on the Application for Student Aid.

- Students are making satisfactory academic progress toward the completion of their course of studies. Please refer to the Satisfactory Academic Progress Policy.
- Students are not in default of an NSLDS, Direct Loan, or a PLUS/SLS Loan.
- Students do not owe a refund on a Pell Grant or SEOG at any school.

FREQUENCY OF PAYMENTS

Pell Grants

The Pell Grant will be disbursed in two equal payments per academic year. The first half will be disbursed at the beginning of the academic year. The second half will be disbursed at the midpoint of the academic year.

Federal Loans

In most cases, half of the funds will be disbursed near the beginning of the academic year, and the other half of the funds will be disbursed, at approximately the midpoint of the academic year.

NOTE

Pell Grants and Federal Loan disbursements will be credited directly to the student's account. The student and his/her account will then be receipted accordingly. All financial aid will be applied first against school charges; any excess will subsequently be paid to the student, or refunded to the bank, to reduce any loan liabilities.

VERIFICATION

The Department of Education requires that approximately 30% of FAFSA filers undergo a process called verification. Metro Beauty Academy verifies certain information for students applying for Federal Financial Aid who have been selected by CPS for verification. Metro Beauty Academy has the authority to verify additional students as deemed necessary.

Students selected for verification will be required to verify items including but not limited to:

- Household size as defined by the Federal Department of Education
- Number in college
- Adjusted gross income as supplied by the IRS
- US taxes paid
- Certain types of untaxed income and benefits
- All other untaxed income included on the US income tax return

Metro Beauty Academy may also verify any applicant information that appears to be incorrect or contains discrepancies.

Students selected for verification will be notified by the Financial Aid office, either in person, over the phone or via mail or email. Students will be notified in the same manner if there is any effect on award eligibility as a result of verification.

Metro Beauty Academy may set deadlines in regards to verification. Failure to submit the required documents by any deadline may forfeit Federal Financial Aid eligibility.

STUDENT WITHDRAWAL POLICY AND RETURN OF TITLE IV FUNDS

A student will be considered as withdrawn when one of the following occurs:

1. The student notifies Student Services of his/her intent to withdraw.
2. A formal termination (unofficial withdrawal) of the student shall occur no more than 14 consecutive calendar days from the last day of physical attendance if a student has failed to contact the school.

Students who receive Title IV aid (Federal Pell, Federal Subsidized and/or Federal Unsubsidized Direct loans and PLUS loans) and withdraw from school are subject to the return of Title IV aid, according to specified regulations. Federal law requires that a student must earn the aid they receive. When a student withdraws from school, the school is required to determine the amount earned, using the Return of Title IV regulations. This calculation is based on the number of scheduled hours, divided by the number of hours for which the aid was disbursed.

The Department of Education also has instituted the “14 day rule”. This rule states that the date of the institution’s determination that a student withdrew would be no later than a 14 days after the student’s last date of academic attendance meaning that termination will occur after the student has not been in attendance for 14 days. If the student does not notify the school that he/she is withdrawing, formal termination shall be determined by the institution. Ie. Academic advising, class attendance, examinations, tutorials, and other academically related activities.

If the student completes more than 60% of the hours in the payment period, it is determined that 100% of the Title IV funds the student has received, have been earned, and the school will determine if the student is eligible for a post-withdrawal disbursement. If a student completes 60% or less, of the hours in a given payment period, the earned and unearned portion will be calculated.

- The unearned portion of the institutional charges will be returned by the institution to the appropriate Title IV program. The institution will bill the student for the amount of institutional charges that were returned in excess of the institution's refund policy.
- The unearned portion of the aid that was disbursed directly to the student will also be calculated. If applicable, the student will owe repayment to the Title IV programs. The student will receive an overpayment letter, and will be given 45 days to make the repayment. The student will be eligible for further Title IV aid during the 45-day period, but will become ineligible after the 45-day period has passed. The student will remain ineligible until the funds are repaid, or satisfactory payment arrangements have been made with the Department of Education.

Refunds

Refunds will be issued in accordance with the School's Institutional Refund Policy, as stated on the school's enrollment agreement for financial aid recipients who do not receive Title IV aid.

The school will return Title IV funds to the following Title IV programs from which the student received aid during the payment period as applicable, up to the net amount disbursed from each source. Federal Aid returned must be allocated in the following order:

- Unsubsidized Federal Direct loans.
- Subsidized Federal Direct loans.
- Federal PLUS (parent) loans
- Federal Pell Grants.
- Federal Supplemental Educational Opportunity Grants (FSEOG)
- Other Federal Loan and/or Grant Assistance.

STUDENT AND FACULTY BILL OF ACADEMIC RIGHTS AND RESPONSIBILITIES

Scope of Policy & Rationale:

As an academic institution, Metro Beauty Academy exists for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. The school and the faculty have a responsibility to provide students with opportunities and protections that promote the learning process in all its aspects. Students similarly should exercise their freedom with responsibility.

Metro Beauty Academy therefore reaffirms its commitment to academic freedom, and adopts the following statement of academic freedom principles applicable to faculty and students:

Policy Statement

1. Faculty are entitled to freedom in the classroom in discussing their subjects, but they should be careful not to introduce into their teaching controversial (or other) matter which has no relation to their subject. The faculty member is responsible, however, for maintaining academic standards in the presentation of course materials.
2. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for the truth.

3. Faculty members in the classroom and in conference should encourage free discussion, inquiry and expression. Student performance should be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

4. Students should be free to take reasoned exception to the information or views offered in any course of study and to reserve judgment about matters of opinion, but students are responsible for learning the content of the course of study in which they are enrolled. The validity of academic ideas, theories, arguments and views should be measured against the relevant academic standards.

5. Students should have protection through orderly grievance procedures against prejudiced or capricious evaluations that are not intellectually relevant to the subject matter under consideration. At the same time, students are responsible for complying with the standards of academic performance established for each course in which they are enrolled.

Recordkeeping and Reporting

The officers should develop mechanisms and procedures for developing and maintaining records in a confidential manner of all grievances brought pursuant to this policy. In addition, the officers shall provide a report on all grievances pursuant to this policy each semester to the chairs of the Student Affairs and the Academic Affairs Committees of the Board of Trustees, and establish a mechanism for annual reviews of this policy and its effectiveness by appropriate university officials and the board.
