All refunds will be made within 30 days of the cancellation date. Applicants to the Massage Therapy program only may request in writing to cancel their contract within 5 days of signing the enrollment agreement and will be refunded all monies paid including application fee.

Applicants not accepted by the school shall receive a full refund of all monies paid, minus the nonrefundable application fee of \$45.00. The application fee for Massage Therapy only is refundable to application who are rejected for admission.

Official cancellation or withdrawal is understood to occur on the date that an applicant cancels the contract, the date an applicant is not accepted by the school, the date of notification of withdrawal or plan not to return from a leave of absence, the date of documented return from a leave of absence if notification is not made, or the date a student is expelled by the school. The school reserves the right to terminate a student who has not notified the school and has not responded to the schools contact attempts within fourteen (14) consecutive days of his/her absence. Attendance is monitored at a minimum of every 30 days to determine unofficial withdrawals. The cancellation date is determined by postmark on written correspondence, or the date that information is delivered to the school in person.

Costs not included in tuition, including books, kit, and fees, are non-refundable once incurred. The purchase of kit equipment is always final. The kit may not be returned for a refund.

If the school cancels a program or ceases to offer instruction in a program after students have enrolled and instruction has begun, the school will, at its option, provide a pro rata refund to transfer students based on hours accepted at a receiving school, provide completion of the program, or provide a full refund. If the school permanently closed, the student shall be entitled to a pro-rata refund of tuition. If the program has not begun, the school shall at its option provide a full refund of all monies paid or provide completion of the program.

For students who enroll and begin classes, and subsequently withdraw either officially or unofficially, the following schedule of tuition adjustment is authorized based on actual hours attended:

Percentage of Time in Program	Percentage of Tuition Refunded to Student
Within the first 7 calendar days of the program	100%
After the first 7 calendar days but below 5%	80%
5% - 9.9% of the program	70%
10% - 14.9% of the program	60%
15% - 24.9% of the program	55%
25% - 49.9% of the program	30%
Over 50% of the program	0%

The school reserves the right to adjust the tuition schedule when evidence of mitigating circumstances exists.

The withdrawal or termination date, for refund computation purposes, is last day of recorded attendance. Any monies due to the applicant or student shall be refunded within thirty (30) days from the date of formal withdrawal or termination. Enrollment time is defined as the time elapsed between the actual start date and the last date of physical attendance in school.

In the instance that a student does not fulfill their monetary obligation to the school, the account may be forwarded to a collection agency. Students who have not fulfilled their monetary obligation will not be provided a transcript until the obligation has been met. Transcripts for withdrawn or terminated students will be unofficial. Metro Beauty Academy employs the assistance of agencies who reflect ethical business practices.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Students attending Metro Beauty Academy must maintain satisfactory academic progress in attendance and coursework. Students may obtain a copy of their SAP evaluation(s) from administration.

Attendance

In order to be considered in good standing students must maintain a 67% cumulative attendance average. Students must complete educational programs at Metro Beauty Academy within 150% of the normal length of the program or be terminated. Transfer hours accepted from other schools are counted as both attempted and completed for the purpose of determining when the allowable maximum time-frame has been exhausted.

Course	Maximum Scheduled Hours
Cosmetology	1875
Esthetics	675
Teacher	900
Massage Therapy	1050

Academics

In order to be considered in good standing students must maintain a 75% cumulative academic average.

The following table represents Metro Beauty Academy's grading scale:

Letter Grade	Description	Percent
A	Excellent	93 - 100
B	Good	84 – 92
C	Average	75 – 83
D	Failing	Below 75

Determination of Progress

The first evaluation occurs no later than the mid-point of: the academic year or the course and/or program, whichever occurs sooner. Evaluations will be completed within seven school business days of the evaluation point.

Students are evaluated for satisfactory academic progress as follows:

Cosmetology	450, 900 actual hours completed in a 1250 hour program
Esthetics	225 actual hours completed in a 450 hour program
Teachers	300 actual hours completed in a 600 hour program
Massage Therapy	350 actual hours completed in a 700 hour program

The academic years per program are as follows:

Cosmetology	900 actual hours, 350 actual hours
Esthetics	450 actual hours
Teachers	600 actual hours
Massage Therapy	700 actual hours

Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next scheduled evaluation. SAP evaluation periods are based on actual completed hours at Metro Beauty Academy.

Students who fail to meet minimum requirements for attendance and/or academic progress will be placed on probation. Students on probation are considered to be making satisfactory academic progress during the probation period. The student, with administration, will develop written academic plan of action to follow in order to attain satisfactory academic progress by the next evaluation period. At the end of the probationary period, if the student has still not met both the attendance and academic requirements, the student will be determined as NOT making satisfactory academic progress. Students will be notified of any evaluation that impacts the student's eligibility for financial aid. Students who fail to meet SAP may lose eligibility for Title IV federal financial aid.

Appeal Process

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination. The student must submit a written appeal to the school with supporting documentation of the reasons why the determination should be reversed. The student may appeal for reasons such as the death of a relative, injury or illness of the student or other allowable special circumstances. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and if applicable, Title IV federal financial aid will be reinstated.

Approved Leave of Absence or Withdrawals

If an enrollment is temporarily interrupted for an approved leave of absence, the student will return to school in the same progress status as prior to the leave. Hours elapsed during a leave of absence will extend the student's contract period by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and are approved to re-enroll within six months

of the official withdrawal date will return in the same satisfactory academic progress status as the time of withdrawal.

Incomplete courses, repetitions, and remedial programs

All incomplete courses, repetitions, and remedial programs or courses will have no effect on a student’s satisfactory academic progress status.

CONSUMER INFORMATION REGARDING FINANCIAL AID PROGRAMS

Metro Beauty Academy participates in the following Title IV federal financial aid programs, as described at www.studentaid.ed.gov:

Pell Grants

Federal Pell Grants usually are awarded only to undergraduate students who display exceptional financial need and have not earned a bachelor's, graduate, or professional degree. Students are not eligible to receive a Federal Pell Grant when incarcerated in a federal or state penal institution or subject to an involuntary civil commitment upon completion of a period of incarceration for a forcible or nonforcible sexual offense. A Federal Pell Grant, unlike a loan, does not have to be repaid, except under certain circumstances.

Pell Grants are disbursed in two equal payments per academic year, one at the beginning of the academic year, and one at the midpoint of the academic year. Pell Grants for a short academic year may be disbursed in one payment.

Subsidized/Unsubsidized Direct Loans

Subsidized Direct Loans are need based and enable students to borrow money at a low interest rate to meet educational expenses. These loans must be repaid. First year undergraduates may borrow up to \$3500 (as of 7/1/15). Students may not borrow in excess of their financial need, based on the cost of attendance for their school. The U.S. Department of Education pays the interest on a Direct Subsidized Loan while a student is in school at least half-time, for the first six months after leaving school (referred to as a grace period), and during a period of deferment (a postponement of loan payments). The fixed interest rate for 2018-2019 is 5.05 percent. Subsidized loans are subject to a maximum eligibility period.

Unsubsidized Direct Loans are educational loans that must be repaid. These loans are not based on need but are based on cost of attendance for the school. Independent undergraduates may borrow up to \$6000 per academic year. Dependent undergraduates may borrow up to \$2000 per academic year. The 2018-2019 fixed interest rate is 5.05 percent. Interest will accrue and can be paid while attending school, or during a period of

deferment or forbearance. If the interest is not paid during enrollment, grace period, deferment, or forbearance, it will be added to the principal amount of the loan.

Direct Loans are disbursed in two equal payments per academic year, including short academic years.

PLUS Loans:

Parent Loans for Undergraduate Students (PLUS) are education loans that must be repaid. Parents of dependent students may receive a PLUS loan if they have an approved credit check. PLUS loans may be taken in an amount that is equal to the cost of education, minus other financial aid per academic year, for a child enrolled at least half-time. The fixed interest rate is 7.60 percent for the Direct Loan year 2018-2019.

PLUS loans are disbursed in two equal payments per academic year, including short academic years.

Financial aid disbursements are credited directly to student accounts. All financial aid will be applied first against school charges; any excess will subsequently be paid to the student or may be refunded to reduce any loan liabilities at the student's request.

RETURN OF TITLE IV FUNDS

Students who are considered withdrawn or terminated from Metro Beauty Academy may have Title IV federal financial aid funds adjusted per federal regulations. Federal law requires that a student must earn the aid they receive. When a student ends enrollment at a school the school is required to determine the amount earned. The calculation is based on the number of scheduled hours divided by the number of hours for which the aid was disbursed. Students who have been scheduled for more than 60% of the payment period will have earned 100% of funds for that period. Students who complete 60% or less of the hours in a given payment period will have funds prorated.

Unearned Title IV federal financial aid funds will be returned to the appropriate Title IV program by Metro Beauty Academy. Charges remaining on the student ledger after return of funds are the responsibility of the student. If there are unearned Title IV federal financial aid funds that were received by the student in the form of a stipend, it is the student's responsibility to repay the funds to the Title IV federal financial aid program. The student will receive an overpayment letter, and will be given 45 days to make the repayment. The student will be eligible for further Title IV aid during the 45-day period, but will become ineligible after the 45-day period has passed. The student will remain ineligible until the funds are repaid, or satisfactory payment arrangements have been made with the Department of Education.

The school will return Title IV funds to the following Title IV programs from which the student received aid during the payment period as applicable, up to the net amount disbursed from each source. Federal Aid returned must be allocated in the following order:

- Unsubsidized Federal Direct loans.

- Subsidized Federal Direct loans.
- Federal PLUS (parent) loans
- Federal Pell Grants.
- Federal Supplemental Educational Opportunity Grants (FSEOG)
- Other Federal Loan and/or Grant Assistance.

STUDENT AND FACULTY BILL OF ACADEMIC RIGHTS AND RESPONSIBILITIES

Scope of Policy & Rationale:

As an academic institution, Metro Beauty Academy exists for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. The school and the faculty have a responsibility to provide students with opportunities and protections that promote the learning process in all its aspects. Students similarly should exercise their freedom with responsibility.

Metro Beauty Academy therefore reaffirms its commitment to academic freedom, and adopts the following statement of academic freedom principles applicable to faculty and students:

Policy Statement

1. Instructors are entitled to freedom in the classroom in discussing their subjects, but they should be careful not to introduce into their teaching controversial (or other) matter which has no relation to their subject. The instructor is responsible, however, for maintaining academic standards in the presentation of course materials.
2. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for the truth.
3. Instructors in the classroom and in conference should encourage free discussion, inquiry and expression. Student performance should be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.
4. Students should be free to take reasoned exception to the information or views offered in any course of study and to reserve judgment about matters of opinion, but students are responsible for learning the content of the course of study in which they are enrolled. The validity of academic ideas, theories, arguments and views should be measured against the relevant academic standards.

5. Students should have protection through orderly grievance procedures against prejudiced or capricious evaluations that are not intellectually relevant to the subject matter under consideration. At the same time, students are responsible for complying with the standards of academic performance established for each course in which they are enrolled.

Recordkeeping and Reporting

The administration should develop mechanisms and procedures for developing and maintaining records in a confidential manner of all grievances brought pursuant to this policy.

TITLE IV CODE OF CONDUCT POLICY

Schools participating in any of the Title IV loan programs are required by the Department of Education to develop, publish, and enforce a code of conduct. This Code of Conduct applies to all Metro Beauty Academy staff and has been developed to govern interactions between Metro Beauty Academy and lenders to ensure that these relationships are in the best interest of students.

Ban on Revenue Sharing Agreements

Metro Beauty Academy, nor any of its officers, employees, or agents will enter into any revenue sharing arrangements which are defined by the Higher Education Opportunity Act of 2008, amending the Higher Education Act of 1965, as any arrangement between the institution and a lender where, as a result of the institution recommending a lender to its students or families of such students, the lender pays a fee or provides other material benefits, including revenue or profit sharing to the institution or agent.

Ban on Gifts

Financial Aid Office employees (or employees who have responsibilities with respect to education loans or financial aid) must not solicit or accept any gift from a lender, guarantor, or loan servicer. For purposes of this Code, a “gift” is defined as any gratuity, favor, discount, entertainment, hospitality, loan, or other item having monetary value of more than a de minimus amount. The HEOA provides some exceptions from its definition of “gift” including the following:

- Standard material, activities, or programs on issues related to a loan, default aversion, default prevention, or financial literacy such as a brochure, a workshop, or training.
- Food, training, or informational materials as part of training as long as that training contributes to the professional development of those individuals attending the training.
- Favorable terms and benefits to a student employed by the institution as long as those same terms are provided to all students at the institution.
- Entrance and exit counseling as long as the institution’s staff are in control, and they do not promote the services of a specific lender.
- Philanthropic contributions from a lender, servicer, or guarantor or any contribution from a lender, servicer, or guarantor that is not made in exchange for any advantage related to education loans.

- State education grants, scholarships, or financial aid funds administered by or on behalf of a State

For purposes of this Code, a “gift” to a family member or an agent, or to any individual based on that individual’s relationship with the agent, is considered a gift if:

- The gift is given with knowledge and approval of the agent and
- The agent has reason to believe the gift was given because of the official position as an agent.

Ban on Contracting Agreements

Financial Aid Office Employees (or employees who otherwise have responsibilities with respect to education loans) will not accept from any lender or its affiliates any fee, payment or other financial benefit, including the opportunity to purchase stock, as compensation for any type of consulting arrangement or other contract to provide services to a lender or on behalf of a lender.

Ban on Directing Borrowers

Academy and its officers, employees, or agents will not assign first time borrowers, via award packaging or other methods, to a particular lender or refuse to certify or delay certification of any loan based on the borrower’s selection of a particular lender or guaranty agency.

Ban on Offers or Funds for Private Loans

The Academy and its officers, employees, or agents will not request or accept from any lender any offer of funds to be used for private education loans. This prohibition includes any offer for an opportunity pool loan to students in exchange for providing the lender with a specified number of loans, a specified loan volume on such loans, or a preferred lender arrangement for such loans.

Ban on Staffing Assistance

The Academy and its officers, employees, or agents will not request or accept from any lender any assistance with call center staffing or financial aid office staffing. However, the HEOA does not prohibit institutions from requesting or accepting assistance from a lender related to the following:

- Professional development for financial aid administrators.
- Provision of educational counseling materials, financial literacy materials, or debt management materials to borrowers as long as the materials provided disclose to the borrower the identity of any lender that assisted in preparation of the materials.
- Staffing services on a short-term, nonrecurring basis to assist the school with financial-aid related functions during emergencies, including State-declared or federally-declared natural disasters, and other localized disasters and emergencies identified by the Secretary.

Ban on Advisory Board Compensation

Employees of the Academy will not receive anything of value from a lender, guarantor, or group

in exchange for serving on an advisory board. They may, however, be reimbursed for reasonable expenses incurred while serving in this capacity.

TITLE IV ELIGIBILITY

- Students must be a US citizen, or an eligible non-citizen.

- Students do not owe a refund on a Pell Grant or SEOG at any school.

Enrolled students must maintain satisfactory academic progress toward the completion of their course of studies to remain eligible for Title IV federal financial aid. Please refer to the Satisfactory Academic Progress Policy.

Student eligibility may be subject to verification. Metro Beauty Academy verifies certain information for students applying for Title IV Federal Financial Aid who have been selected by Central Processing System (CPS) for verification. Metro Beauty Academy has the authority to verify additional students as deemed necessary.

Students selected for verification may be required to verify items including but not limited to:

- Household size as defined by the Federal Department of Education

Metro Beauty Academy may verify any applicant information that appears to be incorrect or contains discrepancies.

Students selected for verification will be notified by the Financial Aid office, either in person, over the phone or via mail or email. Students will be notified in the same manner if there is any effect on award eligibility as a result of verification.

Metro Beauty Academy will set deadlines in regard to verification. Failure to submit the required documents by any deadline may forfeit Title IV Federal Financial Aid eligibility.
